

Midday Reset

Product Code: WT-705

Price: \$8.99

Description

Every tea has a story.....

We all start our days with good intentions, but sometimes life gets busy, this blend is my answer to getting back on track, your daily Midday Reset. This herbal blend was created to help reduce bloating, inflammation and provide a sense of calm throughout our busy days. Dandelion leaf has been widely reported to help support liver function.

Ingredients

Organic peppermint, organic spearmint, organic lemon grass, dandelion leaf and ginger.

Hand Blended and Packaged in Canada
